This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

+ *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.

+ *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.

+ *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.

+ *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

VOLUME II.

EDITED BY

ESTABLISHED 1797

THE

Publications

OF

The Harleian Society.

ESTABLISHED A.D. MDCCCLXIX.

Volume XVII.

FOR THE YEAR MD.CCC.LXXXIII.

PREFACE.

THE Editor has to regret, in common with all Members of the Society, the loss which has been sustained by the death of his friend and co-Editor the late Colonel CHESTER. The delay in the issue of this Volume was due to the serious illness of the wood-engraver, and it was thought undesirable by the Council to put the work into other hands so long as there was a reasonable prospect of Mr. CLEGHORN'S convalescence. The whole work has now been completed, and the present volume forms the Publication of the Society for the year 1883.

It has also been considered most convenient that each Volume should have its separate Index, instead of a general one, as suggested in the Preface to the First Volume. There is, however, an Index of Arms to Vols. I. and II. appended.

Report for the Year 1882.

During the year nineteen Members have joined the Society, six have resigned, nine have died, and eight have been removed under Rule X.

The "Visitation of Cheshire in 1580," edited by J. Paul Rylands, Esq., F.S.A., has been issued during the year.

The Register Section has issued the "Registers of St. Michael, Cornhill."

During the progress of the latter work through the press the Council lost the services of their most valued colleague, Colonel Joseph Lemuel Chester, D.C.L., LL.D. He was one of the Founders of the Society, and the Council cannot allow this opportunity to pass without putting on record their expression of opinion of the sad loss the Society has sustained by his death.

The Second Volume of "The Visitation of London" has been delayed through the constant illness of the Engraver, but more rapid progress is now being made, and it is hoped that it will be issued this year.

Sir John Maclean and Mr. J. C. Heane have the "Gloucestershire Visitation" in hand, and ready for the press; Mr. Blaydes is preparing the "Bedfordshire Visitation;" and Captain White is making progress with "The Durham Cathedral Registers." Mr. Rylands has kindly undertaken to edit the "Visitations of Dorsetshire and Shropshire;" and other Volumes are on the List of Prospective Publications.

The Publication of the Register Section now being printed is "St. Antholin, Budge Row, and St. John Baptist on Wallbrook, London."

The Accounts are appended to this Report, and it is hoped they will meet with the approval of the Members.

His Grace the Duke of Westminster having joined the Society during the past year, has consented to become a Vice-President in the place of Sir George Duckett, who has resigned.

Mr. Thomas Brooke, F.S.A., the Chairman of the Council of the Yorkshire Archæological Association, has been elected on the Council in the place of the late Colonel Chester, and Capt. E. A. White, F.S.A., in the place of the late Mr. J. R. Daniel-Tyssen.

The Retiring Members of Council are Mr. Amherst, Dr. Marshall, and Mr. Rylands. They offer themselves for re-election.

10th January, 1883.

Report for the Year 1883.

TWENTY-NINE Members have joined the Society during the past year; eight have resigned; seven have died; and the names of nine Members have been removed under Rule X. The present number on the Roll is three hundred and eighty, of whom one hundred and eighty-four are subscribers to the Register Section of the Society.

It is with great regret the Council have to state that the continued illness of Mr. Cleghorn, the Engraver, has so long delayed the publication of the Second Volume of the "Visitation of London;" but as it is so nearly complete (the pedigrees of families beginning with the letter W being now in the press), they consider it is not advisable to employ another Engraver.

The printing of the "Visitation of Gloucestershire" has also been delayed through unforeseen circumstances, both Editors having been unable from different causes to proceed with the correction of the proofs as rapidly as was anticipated; but good progress is now being made.

The "Visitations of Bedfordshire" are now also in the Printers' hands.

The "Visitation of Shropshire" is in the Transcriber's hands.

The Register Section has printed the "Registers of St. Antholin, Budge Row, and St. John Baptist on Wallbrook, London."

The "Registers of St. James, Clerkenwell, London," are in the press, and the "Registers of Christ Church, Newgate Street, London," are now being transcribed.

The Accounts are appended to this Report, as usual.

A fire broke out at the Binder's in February last, when some portion of the Society's stock of Register Publications was destroyed. The stock was, however, insured, and the amount paid by the Fire Office (£150) has been placed to the Society's credit.

The retiring Members of the Council are Mr. LEVESON GOWER, Mr. ARMYTAGE, and Dr. HOWARD. They offer themselves for re-election.
